- 4.4 Where acceptance of a Deliverable or Project is required under the terms of the applicable SoW, Customer shall confirm acceptance within not more than two weeks from completion of the Deliverable or Project. Prior to express acceptance, Customer shall refrain from using the Deliverable(s) requiring acceptance. In the event that Customer does use such Deliverables, such use shall be regarded as acceptance. If the Customer refuses to confirm acceptance RAYLYTIC may revoke any license granted to use the Deliverable(s) and require the Customer to refrain from any use of thereof pending acceptance. Where Non-Conformities prevent acceptance Customer may exercise the remedies under Sec. 10.2.2 below as its sole remedy.

5. CUSTOMER OBLIGATIONS AND RESPONSIBILITIES

- 5.1 It shall be Customer's responsibility, at its own cost and risk, to (a) provide and maintain all infrastructure, software, data or information which RAYLYTIC has not expressly undertaken to provide in the SoW and which are reasonably required for accessing and using the RAYLYTIC Services; (b) comply with the technical guidelines in the Documentation with respect to accessing and using the RAYLYTIC Services, and (c) support RAYLYTIC's performance of the RAYLYTIC Services by providing such information, assistance, cooperation and contributions in a timely manner as RAYLYTIC may reasonably require.
- 5.2 If the provision of a RAYLYTIC Service should be prevented, delayed or inhibited by Customer's failure to contribute or cooperate, or by other circumstances beyond the reasonable control of RAYLYTIC, RAYLYTIC may, in addition to its other remedies, request that any deadlines or service levels are adjusted accordingly and that all extra effort and cost expended by RAYLYTIC are separately remunerated.

6. PROPRIETARY RIGHTS

- 6.1 Subscription Service. Subject to the rights and licenses expressly granted hereunder, as between the parties, Customer shall retain all rights, title and interest (including all IPR) in and to the Customer Content. Subject to the limited rights and licenses expressly granted hereunder, as between the parties, RAYLYTIC shall retain all rights, title and interest (including all IPR) in and to the Subscription Service, including all software, technology and other materials associated therewith, all Documentation and Content (excluding the Customer Content), all RAYLYTIC trademarks, names, logos, all copies, modifications and derivative works thereof, and all rights to

patent, copyright, trade secret and other proprietary or intellectual property rights therein.

- 6.2 Improvement of Subscription Service. RAYLYTIC shall be entitled to use aggregated or derived data created based on (a) Customer's feedback, (b) Customer's usage of the Subscription Service, and (c) any data transmitted to or generated by the Subscription Service in connection with such usage, for the improvement and / or (further) development of its own products or services, if and to the extent such use does not (i) lead to a disclosure of Customer Content or information identifying Customer or its Authorized Users, or (ii) infringe Customer's intellectual property rights.
- 6.3 Professional Services. Subject to the limited rights and licenses expressly granted hereunder, as between the parties, RAYLYTIC shall retain all rights, title and interest (including all IPR) in and to all Deliverables, as well as any other development or discovery RAYLYTIC may make in connection with consummation of this MSA and all SoWs. Unless expressly otherwise agreed in the applicable SoW, all Deliverables are provided only to facilitate Customer's use of the Subscription Service and Customer shall only have a non-exclusive right to use such Deliverables in connection with the Subscription Service subject to the license terms of the Subscription Service.

7. CONFIDENTIALITY

- 7.1 Definition. For purposes hereof, "Confidential Information" means all nonpublic information disclosed by a party ("**Disclosing Party**") to the other party ("**Receiving Party**"), whether orally or in writing, that is designated as "confidential" or that, given the nature of the information or circumstances surrounding its disclosure, should reasonably be understood to be confidential. Customer's Confidential Information shall consist of the Customer Content. RAYLYTIC's Confidential Information includes: (i) any nonpublic information relating to the Subscription Service or the software or technology underlying the Subscription Service, or relating to any other of RAYLYTIC or its Affiliates' or business partners' products or services (including any beta version of a service), software, technology, customers, business plans, and other business affairs; (ii) any Content (other than Customer Content); and (iii) third-party information that RAYLYTIC is obligated to keep confidential. Notwithstanding the foregoing, "**Confidential Information**" does not include any information that: (1) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (2) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the

Disclosing Party, (3) is received from a third party without breach of any obligation owed to the Disclosing Party, or (4) was independently developed by the Receiving Party.

- 7.2 Confidentiality. Except for the specific rights granted by this MSA, the Receiving Party shall not access, use or disclose any of the Disclosing Party's Confidential Information without its written consent, and shall use at least the standard of care used to protect its own Confidential Information, but not less than reasonable care to protect the Disclosing Party's Confidential Information, including ensuring that its employees and contractors with access to such Confidential Information (a) have a need to know for the purposes of this MSA and (b) have been apprised of and are subject to restrictions at least as protective of the Disclosing Party's Confidential Information as this MSA. Each party shall be responsible for any breach of confidentiality by its employees and contractors.
- 7.3 Required Disclosure. Nothing herein shall prevent a Receiving Party from disclosing any Confidential Information as necessary pursuant to any applicable court order, law, rule or regulation; provided that prior to any such disclosure, the Receiving Party shall use reasonable efforts to (a) promptly notify the Disclosing Party (to the extent legally permitted) in writing of such requirement to disclose and (b) cooperate with the Disclosing Party in protecting against or minimizing any such disclosure or obtaining a protective order.

8. COMPLIANCE

- 8.1 As between RAYLYTIC and Customer, Customer is solely responsible for (i) ensuring Customer has a valid legal basis for sharing Customer Content with RAYLYTIC (to the extent required), and (ii) ensuring that the Customer Content as made available by Customer complies with Privacy Laws and other applicable laws and regulations. Customer shall take reasonable steps to avoid transmitting to the Subscription Service any PHI or personal data which has not first been anonymized, or at least pseudonymized.
- 8.2 To the extent that Customer Content is subject to Professional Secrecy Obligations, the Customer shall advise RAYLYTIC thereof. RAYLYTIC undertakes to observe all such Professional Secrecy Obligations with respect to such Customer Content, to access and process such Customer Content only to the extent required for the operation of the Subscription Service, and to obtain a similar undertaking from its professional staff or contractors who may access such Customer Content. RAYLYTIC acknowledges that RAYLYTIC and its professional staff and contractors may

Version 1.0, Last updated: 27 March 2024

be subject to criminal prosecution (imprisonment or fines) if they disclose such Customer Content without authorization or retain additional (sub)contractors without obtaining a similar undertaking from them.

- 8.3 To the extent legally required for compliance with Privacy Laws the Parties will enter into a separate Data Processing Agreement governing the processing of Customer Content by RAYLYTIC on behalf of Customer in the context of the RAYLYTIC Services. The terms of such Data Processing Agreement shall prevail over any conflicting terms of this MSA.
- 8.4 RAYLYTIC shall (i) ensure that it has in place reasonably appropriate administrative, physical and technical measures designed to protect the security and confidentiality of Customer Content against any accidental or illicit destruction, alteration or unauthorized access or disclosure to third parties; and (ii) access and use the Customer Content solely to perform its obligations in accordance with the terms of this MSA, and as otherwise expressly permitted in this MSA.

9. PAYMENTS; TAXES

- 9.1 Fees. Customer shall pay to RAYLYTIC fees as set forth in an applicable SoW in accordance with the terms thereof. Without prejudice to Customer's rights set out elsewhere in this MSA, all Subscription Service fees are non-refundable and payable in advance unless otherwise set forth in the SoW.
- 9.2 Disputed Fees. In the event that the Customer reasonably and in good faith disputes an invoiced amount, RAYLYTIC may not suspend access to the Subscription Service or terminate the SoW for as long as the parties are negotiating to settle the dispute provided that (a) this shall apply only as long as Customer promptly pays all undisputed amounts and (b) either party may declare negotiations failed and exercise all contractual rights and remedies if the parties have failed to come to an agreement within 60 days of the due date of the original invoice.
- 9.3 Taxes. The fees for the Subscription Service are exclusive of any excise, sales, use, gross-turnover, value added, goods and services tax or other similar types of indirect taxes, duties or tariffs (however designated, levied or based and whether foreign or domestic) imposed or levied, currently or in the future, on the Subscription Service. Customer will be liable for payment of such taxes. If Customer is required under applicable law to make any tax withholding from fees, payment by the Customer will be grossed up with an additional amount to cover such withholding as may be

necessary in order to ensure that the net amount received by RAYLYTIC is equal to the total amount that RAYLYTIC would have received if such withholding had not been applied.

10. WARRANTY

10.1 Subscription Service. With respect to the Subscription Service, RAYLYTIC represents and warrants as follows:

10.1.1 RAYLYTIC does not warrant that access to, and / or use of, the Subscription Service will be uninterrupted or error-free. RAYLYTIC represents and warrants that (a) in providing the Subscription Service, RAYLYTIC shall comply with all applicable laws; (b) to the best of RAYLYTIC's knowledge as of the Effective Date, Customer's use of the Subscription Service will not infringe the intellectual property rights of any third party; and (c) the Subscription Service shall materially conform to the Documentation and other agreed specifications during the Subscription Term and the functionality, security and performance of the Subscription Service shall not materially decrease during the Subscription Term.

10.1.2 RAYLYTIC will, during the Subscription Term monitor the operation of the Subscription Service and promptly correct any Non-Conformity by installing patches or new releases or providing workarounds, in order to achieve the Average Availability specified below. Critical Non-Conformities will be promptly remedied, all other Non-Conformities may be corrected in the context of regular updates.

10.1.3 The obligations under Sec. 10.1.1 and 10.1.2 above do not include the adaptation of the Subscription Service to changed operating conditions and technical and functional developments, such as changes to the IT environment, adaptation to the functional scope of competing products or the creation of compatibility with new data formats or supplementary products.

10.1.4 RAYLYTIC's obligations with respect to availability of the Subscription Service are limited to a service level equal to 99% Average Availability. "**Average Availability**" means average availability of the Subscription Service for any full calendar year of the Subscription Term calculated as follows:

$\% \text{ Average Availability} = (([\text{TH}] - [\text{DT}]) / [\text{TH}]) * 100$

TH = Total Hours

DT = cumulative Downtimes

“Downtime(s)” shall include only times during which Critical Non-Conformities of the Subscription Service persist during the Total Hours. Downtimes imputable to public communication or data lines or networks shall not be considered Downtimes as used herein. “Critical Non-Conformity” as used herein shall exclusively comprise Non-Conformities which effect that the Subscription Service cannot be productively used at all. “Total Hours” means the cumulative measurement period in hours, excluding regular maintenance windows specified in the Documentation or otherwise published or announced by RAYLYTIC.

If Average Availability should be less than agreed hereinbefore for reasons imputable to RAYLYTIC, RAYLYTIC will, on Customer’s request to be made within 3 months of the end of the respective calendar year, offer a credit calculated in accordance with the table below, which, during the Subscription Term, shall be offset against future recurring fees.

The credit shall apply from the first full calendar year of the Subscription Term and shall be calculated as follows:

<i>Average Availability in calendar year</i>		<i>Credit equal to % of annual fees</i>
<i>Less than</i>	<i>But not less than</i>	
99.0%	98.5%	2.5%
98.5%	98.0%	5%
98.0%		7.5%

The foregoing shall not be deemed an express warranty, guarantee or guarantee of properties.

- 10.1.5 If a Subscription Service, or any component thereof is found to be infringing of any intellectual property rights of a third party, or if any use of the Subscription Service or any component thereof is

enjoined, RAYLYTIC shall, at RAYLYTIC's sole cost and expense: (a) procure for Customer the right to continue to access and use the Subscription Service to the full extent contemplated by this MSA; or (b) modify or replace all components, features and operations of the Subscription Service that actually, or are likely or alleged to, infringe or otherwise violate the rights of any third party ("**Allegedly Infringing Features**") to end and avoid such infringement, misappropriation or violation while providing equally or more suitable features and functionality, which modified and replacement services shall constitute the Subscription Service and be subject to the terms and conditions of this MSA. If the foregoing remedies are not reasonably available with respect to the Allegedly Infringing Features, then RAYLYTIC may direct Customer to cease any use of any materials that have been enjoined or finally adjudicated as infringing, provided that RAYLYTIC shall refund to Customer any fees prepaid for the remaining Subscription Term.

- 10.1.6 Strict liability for Non-Conformities which already exist at the time of confirmation of the SoW is excluded; § 536a BGB shall not apply. In the event of Non-Conformities, Customer may not unilaterally reduce applicable fees (but may reclaim excess fees under the theory of unjust enrichment in the event that it is later established that Customer was entitled to reduce fees).
- 10.1.7 Only Non-Conformities which have been present for such a considerable period of time as to make it unreasonable to expect Customer to continue use of the Subscription Service may justify termination of the SoW and only Non-Conformities which have been present for a considerable period of time shall justify a reduction of applicable fees, and any such reduction shall be proportionate to the duration, scope and severity of the Non-Conformities. Customer may avail itself of the remedy of termination only if the underlying issue persists after expiry of an appropriate grace period of not less than three (3) months set by the Customer. Customer shall regularly inspect the work product of the Subscription Service and shall promptly notify RAYLYTIC of any Non-Conformity, describing the time of occurrence and the detailed circumstances of occurrence. Customer may reduce applicable fees only for the time period from Customer's written notice to the time the Non-Conformity is cured.
- 10.1.8 The remedies stated in this Sec. 10.1, and the indemnity under Sec. 11 below shall be the Customer's sole and exclusive remedies

for a breach of RAYLYTIC's representations and warranties in this Sec. 10.1.

10.2 Professional Services. With respect to the Professional Services, RAYLYTIC represents and warrants as follows:

10.2.1 RAYLYTIC will perform all Professional Services in conformity with Sec. 4.1 and Sec. 4.2 above. In the event of a Non-Conformity of any Professional Services, RAYLYTIC will re-perform the Professional Services affected to the extent necessary and possible.

10.2.2 In the event of a Non-Conformity of a Deliverable, RAYLYTIC shall, promptly after receipt of Customer's timely notice, arrange, at its option, for the re-working or replacement of such Deliverable ("**Remedial Action**"). Where two attempts at Remedial Action have failed to remedy the Non-Conformity within a reasonable grace period, Customer may withdraw from the SoW or demand a reduction in the agreed fees. Customer's remedies under this Sec. 10.2.2 shall lapse, at the latest, upon expiry of a warranty period of twelve (12) months commencing with Customer's receipt, or, where acceptance is legally required, acceptance, of the Deliverable. Furthermore any remedies under this Sec. 10.2.2 shall be excluded to the extent that Customer (a) fails to comply with Sec. 4.3 above, (b) uses the Deliverable for any purpose other than the contractual purpose or in violation of the relevant statutory requirements and / or any guidelines issued by the RAYLYTIC or the third party provider of the Deliverable; or (c) either (i) modifies the Deliverable or (ii) uses the Deliverable in connection with any hardware or software not approved by the RAYLYTIC or the third party provider of the Deliverable for such purpose, unless, in each case, the Customer has obtained RAYLYTIC's prior written consent, and, with respect to item (b) and (c), except where the foregoing circumstances did not cause the Non-Conformity.

10.3 Customer. Customer represents and warrants that (a) Customer has all rights to grant the licenses to RAYLYTIC set forth herein, including to Customer Content, without infringement or violation of any applicable laws or third party rights, including any privacy rights, publicity rights, copyrights, trademarks, contract rights, or any other intellectual property or proprietary rights, and (b) Customer shall not make available through the Subscription Service any Content that is disparaging, obscene, offensive, or

otherwise inappropriate or that contains any viruses or any other harmful code.

11. INDEMNIFICATION

- 11.1 Customer shall defend, indemnify and hold harmless RAYLYTIC, its Affiliates, and its and their respective directors, officers, managers, employees, and permitted assigns from and against any damages, liabilities, losses, and costs, including reasonable attorney's fees, arising from or relating to any third-party claim alleging that Customer Content or RAYLYTIC's use thereof, infringes or misappropriates a third party's patent, copyright, trademark or trade secret.
- 11.2 RAYLYTIC shall defend, indemnify and hold harmless Customer, its Affiliates, and its and their respective directors, officers, managers, employees, and permitted assigns from and against any damages incurred in connection with any third-party claim alleging that Customer's use of a Subscription Service in accordance with the SoW infringes or misappropriates a third party's patent, copyright, trademark or trade secret.

12. LIMITATION OF LIABILITY

- 12.1 RAYLYTIC's liability in damages, whether based on contract or any other legal theory, for any property damage, personal injury, financial loss or other loss in connection with the initiation, preparation and performance of the MSA and / or any SoW shall arise only in accordance with the following provisions and shall otherwise be excluded:
- 12.1.1 RAYLYTIC shall only be liable for wilful misconduct and gross negligence of the officers, executive employees and vicarious agents of RAYLYTIC as well as for culpable breach of "**Fundamental Obligations**", i.e. all obligations which must be fulfilled by RAYLYTIC in order to enable consummation of the MSA and / or the respective SoW and the achievement of its purposes and fulfillment of which the User may reasonably expect in view of the content and purposes of the MSA and / or the respective SoW. The liability of RAYLYTIC for the slightly negligent breach of obligations that are not Fundamental Obligations is excluded subject to Sec. 12.1.7.

- 12.1.2 In the event of a slightly negligent violation of a Fundamental Obligation under this MSA or an individual SoW, the following shall apply: RAYLYTIC's liability shall be limited to the loss which RAYLYTIC should have foreseen as a possible consequence of the violation at the time of the conclusion of the MSA and / or the respective SoW, but shall not in any event exceed the maximum liability amount ("**Cap**") stated in the SoW, and, for all liability under this MSA and all SoWs in the aggregate, an aggregate Cap equivalent to EUR 250,000. If no specific Cap is stated in the SoW, a Cap of EUR 50,000 per Event shall apply, unless the twofold contract value of the SoW exceeds EUR 50,000; in that case, a Cap equivalent to the twofold contract value of the SoW shall apply. An "**Event**" shall be deemed to be the sum of all loss and claims for damages of all claimants resulting from a single, temporally contiguous, delimitable and in such manner uniform delivery, service, action or omission.
- 12.1.3 For damages in connection with the loss of data, RAYLYTIC is liable only insofar as these could not have been avoided by an appropriate regular data backup. This limitation of liability does not apply if RAYLYTIC itself has assumed the obligation to backup data as part of the contractual services.
- 12.1.4 Claims due to a slightly negligent breach of a Fundamental Obligation shall become time-barred, irrespective of knowledge, upon expiry of one year after the delivery, service, action or omission causing the damage.
- 12.1.5 Limitations on RAYLYTIC's liability agreed in the MSA and / or any SoW shall apply also to the personal liability of RAYLYTIC's officers, employees, or agents.
- 12.1.6 The limitations and / or exclusions of liability in this Sec. 12.1 and in particular the Cap according to Sec. 12.1.2, as well as limitations on RAYLYTIC's liability agreed in any SoW, shall also apply to any obligation to reimburse futile expenses, whereby Customer may in any case only demand reimbursement of expenses up to the value of its interest in performance of this MSA or the respective

SoW and more extensive claims according to § 284 BGB are excluded. The limitations and / or exclusions of liability in this Sec. 12.1 or any SoW shall also apply from the conclusion of this MSA or the respective SoW to damages caused by RAYLYTIC in the course of preparing or initiating this MSA or the respective SoW. More extensive claims that may have arisen before the conclusion of this MSA or the respective SoW shall be deemed to be waived by mutual agreement upon conclusion of this MSA or the respective SoW.

12.1.7 The limitations and / or exclusions of liability in this Sec. 12.1 or in a SoW shall not apply to liability arising from wilful misconduct or gross negligence of the officers, executive employees and vicarious agents of RAYLYTIC, from culpable injury to life, limb or health, from fraudulent concealment of defects, for liability based on mandatory statutory product liability, or from the assumption of a guarantee or a procurement risk. Guarantees in the sense of §§ 276 para. 1, 443, 444 or 639 BGB with the consequence of a strict, unlimited liability require in any case an explicit declaration by RAYLYTIC. Nothing in this MSA shall be considered a guarantee in this sense. Use of terms such as "warrant", "guarantee", or "represent" shall in case of doubt only constitute agreements as to quality but no unlimited guarantees in this sense.

12.2 This Sec. 12 shall not be construed to shift the statutory burden of proof in any way.

13. TERM AND TERMINATION

13.1 Term of this MSA. This MSA will be effective upon the Effective Date and shall remain in force unless or until terminated by either party for convenience observing a notice period of three months with effect on the end of a calendar month, but not in any event prior to the day preceding the first anniversary of the Effective Date. Termination or expiry of this MSA shall not affect the validity of the SoWs concluded during its term.

13.2 Term of SoWs. Each SoW will be valid, and shall remain in force, for the term stated therein. The Subscription Term will commence upon the date stated in the SoW and the Subscription will, unless otherwise agreed in the SoW,

remain valid for a 12-month minimum term (the “**Initial Term**”) and thereafter renew for additional 12-month renewal terms (each a “**Renewal Term**”) unless terminated by either Party in writing observing a notice period of three (3) months effective on the end of the minimum term or any later renewal terms (each a “**Renewal Date**”).

- 13.3 Amendments.
